2. We would pass on in full any additional costs if we had to take specialist actuarial, legal or other advice.
3. Where the scheme member has an Additional Voluntary Contribution contract, the insurance company may charge for providing information. We would pass this on in full.
4. Any reasonable administrative costs incurred or likely to be incurred in complying with an 'earmarking order' will be charged to the member.
5. We would pass on any costs we incurred in relation to a pension sharing order caused by an application for leave to appeal out of time.
6. VAT will be added to all the above charges.
7. The charges shown are correct as at April 2021 but will increase each April in line with price inflation.
