#### Welcome to your personal benefit statement for 2025

Your name Mr A B SAMPLE

National Insurance number AB99999A

Your current employer NORFOLK COUNTY COUNCIL

Employer payroll reference 9999999

This booklet is your **personal benefit statement** from the Norfolk Pension Fund and is based on your service up to 31 March 2025. If you think any of the details in this statement are wrong, please let us know.

We have also included all the latest news about the Local Government Pension Scheme (LGPS), from how you can pay more or less into the scheme, to tax limits and legislation changes. We hope you find it a useful and interesting read.

If you need further information, our **Annual Benefit Statement FAQs** document is available, together with all forms mentioned in this statement, from the Annual Benefit Statement section on the homepage of our website **www.norfolkpensionfund.org** 

You will receive a separate statement at different times of the year if you have an Additional Voluntary Contribution (AVC) plan with Clerical Medical, Utmost Pensions (formerly Equitable Life) or Prudential.

As always, if you have any questions or would like to talk to us about your pension, please get in touch. You can find our contact details on the Contact Us page inside the back cover.

## Your personal benefit statement

# Over the next few pages we will show you the benefits you have built up so far and an indication of what you might get when you retire.

If you have an Additional Voluntary Contributions (AVC) plan with Clerical Medical, Utmost Pensions (formerly Equitable Life) or Prudential, details are not included in this statement. Separate annual statements are sent out at different times of the year for these. However, if you are buying additional membership or pension within the scheme then these details are included in this statement.

The figures and projections in this statement are based on the information held on our records and the relevant scheme regulations. Whilst we have taken every care with the figures, they should not be seen as a definitive statement of the benefits payable and they may not take into account the maximum tax free lump sum you can take. Any Annual Allowance scheme pays reductions, or divorce pension debits, have not been included as these deductions will vary based on when benefits are taken.

If you are thinking of retiring, you can register on Member Self-Service and request a personal quotation from your secure account. Alternatively, please contact us using the details shown on the Contact Us page on the inside back cover.

#### Financial advice

We are very happy to help you understand your LGPS pension and pension options, however we are not able to offer financial advice. For a list of Independent Financial Advisers in your area you can contact IFA Promotions at www.unbiased.co.uk

You can find help in choosing one at www.moneyhelper.org.uk /en/getting-help-and-advice/financial-advisers/choosing-a-financial-adviser

Always remember to check the advisor is authorised by the Financial Conduct Authority at **www.fca.org.uk/register**Please be aware you may be charged a fee for any advice.

This is your personal benefit statement from the Norfolk Pension Fund. It is based on the following pay information given to us by your employer.

#### If you think any of these details are wrong, please let us know

Date your current active role commenced
Section of the Scheme you were in at 31 March 2025

12 April 2021 MAIN

Important – if you think a pay figure shown below is wrong, please let us, or your employer, know as soon as possible. Most queries are easily solved; however, if you still disagree with the figure, you have the right to appeal via our official Dispute Procedure.

You can find a guide about this on our website at www.norfolkpensionfund.org

#### Pensionable Pay for the Year Ending 31 March 2025 £26,868.50

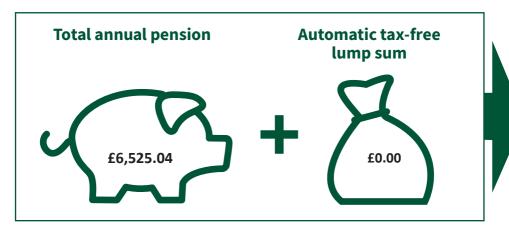

This is the actual pay you received for 2024/25, including pay for non-contractual overtime or additional hours worked. It is used to calculate the Career Average Pension you built up in 2024/25.

If you have received reduced or no pay at any time during the year — either due to sickness or injury, relevant child related leave or reserve forces leave — your pay for these periods is based on your Assumed Pensionable Pay (an average of your Pensionable Pay for the 3 months, or 12 weeks if weekly paid, prior to the period of reduced or no pay).

## The current value of your benefits

Here are your retirement benefits built up to 31 March 2025 **assuming you retire at your Normal Pension Date** (see page 10). You can choose to retire earlier and take your benefits **from age 55** but they may be reduced for early payment.

#### **Total benefits built up to 31 March 2025**

Your **CARE** (Career Average Revalued Earnings) pension is re-valued at the beginning of the tax year, in line with the cost of living. This statement shows the value of your benefits up to **31 March 2025**.

#### **Your options**

The **automatic tax-free lump sum** only applies to pre-2008 benefits. However, when you retire you could choose to give up part of your pension for an extra tax-free lump sum – **a smaller annual pension** and a **bigger tax-free lump sum**. You get £12 extra tax-free lump sum for every £1 of pension you give up; although there are limits on the size of the tax-free lump sum you can take.

If you have registered for **Member Self-Service**, your online statement will show the maximum lump sum available. Member Self-Service also has a Voluntary Retirement Benefit Projector which you can use to see how increasing your lump sum will impact your pension.

## How your benefits are calculated

#### Here's how we have worked out your total benefits

The figures on these pages currently don't take into account any pension sharing on divorce or annual allowance scheme pays reductions

#### Value of Career Average Benefits at 31 March 2025

The Total Annual Pension (below) includes any provisional guarantee amount from the McCloud Remedy if applicable in your case (see page 23).

Pensionable Pay in Main Section (2024/25)	£26,868.50
Pensionable Pay in 50/50 Section (2024/25)	£0.00

Pension at 31/03/2023 (if any) £5,428.43 Adjustment for Cost of Living £548.27

Amount of Pension Build up in 2024/25:

Main Section (£26,868.50 / 49) £548.34 50/50 Section (£0.00 / 98) £0.00

Total Annual Career Average Pension £6,525.04

## The value of your death benefits

#### The value of your death benefits at 31 March 2025 were:

One-off lump sum death grant

£80,605.50

#### **Annual partner's pension**

£3,484.35

The figure shown above is an indication of the amount of pension we would pay to one of the following:

#### **Cohabiting partner**

A 'cohabiting partner' is someone you are living with but are not married to or in a civil partnership with – some people call this a 'common law' marriage or partnership. If you and your partner have been living together for at least 2 years, are free to marry or enter into a civil partnership and are financially interdependent, then your partner may be eligible to receive a pension in the event of your death.

You no longer have to nominate a cohabiting partner to be eligible for a cohabiting partner's pension. However, we would require your partner to provide proof of eligibility before any cohabiting partner's pension would be paid. If you have nominated a cohabiting partner in the past, their details are shown here:

For further details regarding a lump sum death grant, please read our 'Annual Benefit Statement FAQs' document available from the Annual Benefit Statement section on the homepage of our website www.norfolkpensionfund.org

Any eligible children under the age of 18, or up to age 23 and in full-time education, or with a physical or mental impairment could be entitled to a child's pension in addition to the amounts shown on page 8

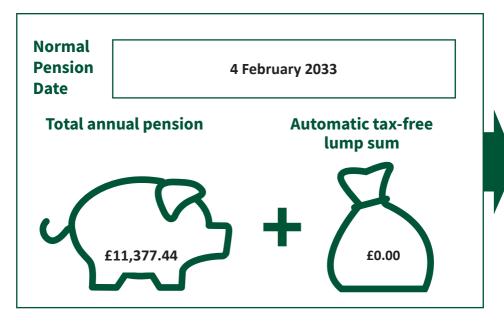

The figures on these pages currently don't take into account any pension sharing on divorce or annual allowance scheme pays reductions

# Projected pension benefits to Normal Pension Date

This is an indication of the value of your benefits should you **continue paying into the scheme as now** and retire at your **Normal Pension Date**. It is based on the section of the scheme you were in at 31 March 2025.

Your Normal Pension Date is the date you can retire and take your benefits in full. It is linked to your State Pension Age for the pension you build up from 1 April 2014. As a result it may change in line with any future increases to the State Pension Age. You can find out your State Pension Age at www.gov.uk/calculate-state-pension You can choose to retire at any time between age 55-75; however, if you take your benefits before your Normal Pension Date they may be reduced for early payment. Your benefits will be increased should you retire after your Normal Pension Date. If your Normal Pension Date in the current scheme is later than it was in the old pre-2014 scheme, we have added projected Actuarial Increases to your Final Salary benefits to cover the period between the two Normal Pension Dates.

Actuarial increases are no longer applied to lump sums from 1 September 2023. For details see the FAQs on the Annual Benefit Statement section of our website homepage.

#### Here's how we have worked out your total projected benefits

The Annual Career Average Pension (below) includes any provisional guarantee amount from the McCloud Remedy if applicable in your case (see page 23).

#### **Projected Career Average Benefits**

**Annual Career Average Pension** 

£11,377.44

#### **Projected Partners Annual Pension**

£3,484.35

This is an indication of the annual pension payable to your partner should you die after retirement. For this statement we have assumed you are either married, in a civil partnership or have a cohabiting partner.

The figures on these pages currently don't take into account any pension sharing on divorce or annual allowance scheme pays reductions

These projections are based on your current **pensionable pay** at 31 March 2025 (see page 5). We have assumed these pay figures will remain the same until your **Normal Pension Date** and haven't allowed for any future inflation. This means the figures shown are in 'today's money' terms which should make it easier to see if you are saving enough.

# Payment before Normal Pension Date

Your **Normal Pension Date** – when you can retire and take your benefits in full – is linked to your **State Pension Age**. As a result it may change in line with any future changes to the **State Pension Age**. You can choose to retire and draw your LGPS pension any time from age 55; however, your benefits may be **reduced** if you choose to retire before your **Normal Pension Date** or **increased** if you retire later.

The current reductions for taking your pension benefits earlier than your normal pension age are shown in the table below. If the number of years is not exact, the reductions will be adjusted.

Years pension taken early	Pension Reduction	Lump sum reduction (for membership to 31 March 2008)
0	0%	0%
1	4.9%	1.7%
2	9.3%	3.3%
3	13.5%	4.9%
4	17.4%	6.5%
5	20.9%	8.1%
6	24.3%	9.6%
7	27.4%	11.1%
8	30.3%	12.6%
9	33.0%	14.1%
10	35.6%	15.5%
11	39.5%	N/A
12	41.8%	N/A
13	43.9%	N/A

There is more information about receiving pension benefits on our website at **www.norfolkpensionfund.org** or on the national **www.lgpsmember.org** website.

# Your LGPS (Local Government Pension Scheme)

# Your LGPS membership may be more valuable than you think

The LGPS is one of the main public sector pension schemes and is considered to be one of the best in the country. Membership provides you with a **secure**, **regular income in retirement** linked to inflation, along with other valuable benefits including:

- A **reliable pension for life** when you retire, based on your membership and pay not linked to the ups and downs of financial markets.
- The option to take a lump sum when you retire.
- A pension for your dependants after you die.
- A **Lump Sum Death Grant** at no extra charge if you die whilst being an active member of the scheme, your nominated beneficiary will receive a lump sum death grant based on 3 x your assumed pensionable pay. If you have either a separate deferred benefit or are receiving a pension in the LGPS when you die, this may impact on the death grant payable.
- You may qualify for an early pension if you have to retire through ill
  health at any age or are made redundant after age 55.

#### Did you know, as a member of the LGPS:

- Your employer pays in to your pension too typically twice as much as you contribute! Please remember, your pension is based on your salary and not total contributions paid.
- You may pay less tax as your pension contributions are taken out of your pay before tax. For example, if you pay £100 a month into your pension, your tax is reduced by £20 a month (if you are paying tax at the basic 20% rate).

More details on the scheme benefits can be found in **A Brief Guide to the LGPS**, available from the Annual Benefit Statement
section on the homepage of our website at **www.norfolkpensionfund.org** or by contacting us. You can find
our contact details on the Contact Us page inside the back cover.

# Want to know more about your pension?

#### Please come and talk to us...

We will be holding a series of Pension Clinics in October and November, giving you the opportunity to discuss your pension with one of our team members.

You can book an appointment for one of the dates shown below at County Hall or at the offices of Great Yarmouth, King's Lynn and West Norfolk or North Norfolk Councils.

Great Yarmouth 21 October 2025

King's Lynn 22 October 2025

Cromer 27 October 2025

Norwich 23 October and 28 October 2025

To book a place at one of our Clinics, our telephone number is on the Contact Us page inside the back cover. Don't worry if you can't make the dates above – please let us know and we will arrange a virtual meeting or an in-person meeting at County Hall.

The Fund's annual meeting is due to be held virtually at 6pm on 11 November 2025. If you would like more details on how to attend, please call the telephone number shown on the Contact Us page inside the back cover.

# The LGPS A reminder of the scheme

The scheme changed in 2014 from a **Final Salary** scheme to a **CARE** (**Career Average Revalued Earnings**) one. This means any of the pension you have built up after 1 April 2014 in the scheme is based on the pay you earn each year, rather than on your **Final Salary** when you leave.

- All benefits you earned up to April 2014 remain protected as Final Salary.
- For each year you are in the CARE LGPS scheme, from April 2014 we will add pension equal to 1/49th of your pay into your pension account (or 1/98th of your pay for any period spent in the 50/50 section). This is then re-valued each year in line with inflation.

If you were in the scheme before 1 April 2014 your final pension benefits will be a combination of Final Salary and CARE

# Keep in touch with your pension online

### LGPS latest news

#### **Pensions Dashboards**

Pensions Dashboards, due to go live from late 2026, is a Government initiative which will enable people to access details of all their pensions savings (including the LGPS) online, securely and all in one place.

#### **Earliest Retirement Date**

The current age you can take payment of pension benefits is age 55. However, the Government has announced the minimum age will increase from age 55 to 57 from 6 April 2028.

#### More information

For more information on all the above, please see the **Annual Benefit Statement FAQs** document which is available from the **Annual Benefit Statement** section on the homepage of our website **www.norfolkpensionfund.org** 

# Devolution/local government reform and how the LGPS makes investments

The government is proposing changes to how councils are organised. This includes devolution (a new strategic authority with a Mayor covering both Norfolk and Suffolk) and replacing county and district councils with single (unitary) authorities. The government also wants LGPS schemes, including the Norfolk Pension Fund, to change how they manage their investments, to cut costs and to increase investment in local regions and the UK.

These changes will not affect the LGPS pension you receive - your pension is safe and guaranteed.

### Want to save more?

There may be times when you consider adding to your pension, for example, if you joined later in your career or have had a career break.

There are a couple of ways to do this in the LGPS.

#### **Additional Pension Contributions (APCs)**

You can buy extra LGPS pension for your retirement by paying APCs, either as a regular monthly amount or a one-off lump sum. This buys you a set amount of extra annual LGPS pension, up to a current maximum of £8,903.

You can find out more about APCs and get a quote by either using the online calculator at **www.lgpsmember.org** or contacting us using the details on the Contact Us page inside the back cover.

#### Remember!

You get tax relief on all your pension contributions, which can make it a very tax-efficient way to save

#### **Additional Voluntary Contributions (AVCs)**

You can build up extra savings for retirement by paying separate contributions into our 'in-house' AVC schemes with Clerical Medical or Prudential.

You can choose how much to pay in and how your contributions are invested. The money comes straight out of your pay and goes to Clerical Medical or Prudential who invest it for you.

Your AVC fund is designed to grow as it is invested. You can use it to either take a cash lump sum and / or additional pension from the Norfolk Pension Fund when you retire, or you can buy an annuity.

Some employers offer a Shared Cost AVC contribution, where you agree to 'salary sacrifice' the equivalent contribution amount.

If you are interested in paying APCs or AVCs, please contact us. Our details are on the Contact Us page inside the back cover.

## The 50/50 option

#### Need to pay less for a while?

If money is a bit tight, you may think about joining the **50/50 section**.

For any period you spend in the 50/50 section you will pay **half of your normal monthly contributions** and build up **half of your normal pension** in return. You will still get the **same level of ill health and death benefits** as you do in the main section of the scheme.

You can choose to move to the 50/50 section at any time and can switch between the main and 50/50 sections as many times as you like – just send your employer the **Option to switch between sections of the Scheme** form (available from the Annual Benefit Statement section on the homepage of our website at **www.norfolkpensionfund.org**) or by contacting us. Our details are on the Contact Us page inside the back cover.

The 50/50 section is designed to be a short-term solution, so your employer will always bring you back into the main section when:

- you choose to move back into the main section of the scheme.
- it is your employer's automatic enrolment anniversary date.
- you get nil pay due to sickness or injury.

# **Digital Midlife MOT**

If you're aged between 44 and 55, the Government provides a digital Midlife MOT to help you check the status of your work, health and money.

The Midlife MOT uses trusted services, tools and charity resources to help you start thinking about planning your future by focusing on topics such as improving your work-life balance, understanding your pension or making healthy changes for a longer life.

To find out more about this **FREE** to use service, please visit the digital Midlife MOT website at **www.jobhelp.campaign.gov.uk/midlifemot** 

## Tax limits and your pension

Two lump sum limits were introduced from 6 April 2024 to replace the Lifetime Allowance. These are called **Lump Sum Allowance** and **Lump Sum and Death Benefit Allowance**. If the total of all lump sums you take from UK pensions is more than one of these limits, you will have to pay extra tax.

In the LGPS, you can generally take up to 25% of the value of your benefits as a lump sum. Most members will not be affected because the maximum lump sum they can take is much lower than the limits. If you have built up a large pension in the LGPS or a different scheme, the new limits may affect you.

#### **Lump Sum Allowance**

From 6 April 2024, the maximum lump sum is the lowest of:

- 25% of the capital value of benefits.
- £268,275.
- £268,275 less the total lump sums already taken.

If you hold a valid lifetime allowance protection, you may be able to take a lump sum larger than £268,275.

#### **Lump Sum and Death Benefit Allowance**

From 6 April 2024, the lump sum and death benefit allowance is £1,073,100. This allowance is used up when any of these lump sums are paid:

- pension commencement lump sum (PCLS).
- uncrystallised funds pension lump sum (UFPLS).
- stand-alone lump sum (SALS).
- serious ill health lump sum paid before age 75 (SIHLS).
- lump sum death benefit allowance (LSDBA).

### **Annual Allowance**

The Annual Allowance is the amount your pension savings can increase in any one year before any additional tax is due.

From 6 April 2023 the standard allowance increased from £40,000 to £60,000 a year although there is a tapered Annual Allowance for anyone with income above £260,000 a year.

If you have exceeded the Annual Allowance for 2024-25 in respect of your Norfolk Pension Fund pension rights benefits, you will be sent a Pensions Savings Statement with more details later in the year. If you have not exceeded the Annual Allowance, you can request a Pensions Savings Statement by emailing **pensions.technical@norfolk.gov.uk** 

It is your responsibility to work out your Annual Allowance and any applicable tax charge.

If you have queries or concerns regarding your tax position, the Norfolk Pension Fund would encourage you to seek the advice of an independent financial adviser.

You can find out more from HMRC's website at www.gov.uk/tax-on-your-private-pension

## The McCloud Remedy

When public service pension schemes changed from final salary schemes to CARE (Career Average Revalued Earnings) schemes in 2014 and 2015, older members were protected from the changes.

In 2018, the Courts found younger members had been discriminated against because the protection did not apply to them. Changes made to the LGPS from 1 October 2023 removes the discrimination found in the court case.

These changes are called the McCloud Remedy.

#### **McCloud Remedy Protection to your pension benefits**

We have applied the protection to your pension under the McCloud Remedy. If your pension benefits currently qualify for a Final Guarantee Amount, an estimate of that amount is included in the Total Annual Pension value quoted on pages 6 and 7, in the Total Annual Pension value quoted on page 10 and in the Projected Career Average Benefits value quoted on page 11.

#### **Action required**

Please refer to the **McCloud Remedy FAQs** document available from the Annual Benefit Statement section on the homepage of our website **www.norfolkpensionfund.org** The FAQs contains actions required by you if you have any membership of Public Service Pension Schemes, prior to your membership with Norfolk Pension Fund, which you **haven't** transferred into Norfolk Pension Fund.

#### **More information**

You can find more information on the national LGPS website, including a short video. Please visit **www.lgpsmember.org/mccloud-remedy/** 

## **Pre-Retirement Planning Course**

To help scheme members within two years of retirement, we support a Pre-Retirement Planning Course to prepare for life after work.

Delivered virtually via MS Teams over two half day sessions, attendance is **FREE** for all members of the Norfolk Pension Fund.

#### **Topics covered include:**

- Creating a new future and managing change.
- Information about the LGPS.
- Investment and financial planning.
- Ideas for leisure, health, cultural and learning activities.
- · Volunteering opportunities.

For course dates, and to book your place, please contact the Workforce Development Team. Their details are on the Contact Us page inside the back cover.

If you work for Norfolk County Council, you can book a place via myOracle Learn.

## **State Pension forecast**

As part of your retirement planning, it is important to check your State Pension forecast, which is based on your National Insurance contributions. Please visit **www.gov.uk/check-state-pension** or call **0800 731 0469** to find out:

- How much State Pension you could get.
- When you can receive it.
- How you can increase it (subject to eligibility).

### Be scam aware!

**Pension scams are on the increase.** Every day fraudsters are using sophisticated ways to steal your money. A lifetime's savings can be lost in moments.

Be on high alert. Scammers will try to con you with promises of upfront cash and investments with guaranteed high returns.

#### How to spot a pensions scam

#### Some things you should look out for

- Offers of a free pension review, high investment returns or ways to avoid paying tax.
- Claims about unlocking your pension before the age of 55 this is usually only allowed in the case of very poor health.
- Don't be encouraged to take your entire pension as cash or as a lump sum and hand it over to someone else to invest for you.
- When you're forced to make a quick decision.
- Pressure to transfer your pension quickly.
- Don't be fooled by professional looking websites.

#### **Get independent advice**

Before you make any decision about your pension savings, speak to an independent adviser authorised by the Financial Conduct Authority (FCA).

Scammers will claim to be FCA authorised, so always check the firm or person you're dealing with is listed on the FCA register at **www.fca.org.uk/register** 

For more information please read the enclosed **Steps to stay scam safe** leaflet or visit **www.fca.org.uk/scamsmart** 

### **About the Norfolk Pension Fund**

#### **Pensions Committee**

**Pensions Committee** is responsible for the Norfolk Pension Fund. The Committee meets four times a year and meetings are open to the public. You can find **Pensions Committee** dates, agendas and reports on the Norfolk County Council website at **www.norfolk.gov.uk** under **What we do and how we work**.

#### **Pensions Oversight Board**

In Norfolk our Local Pension Board is called the **Norfolk Pension Fund Pensions Oversight Board**.

Its role is to assist **Pensions Committee** in complying with all legislative requirements, making sure the scheme is being effectively and efficiently governed and managed.

The Board has an **equal number of scheme member and employer representatives**, along with an **Independent Chair** to oversee its smooth running.

Thank you to Frances Crum who has served on the Pensions Oversight Board as the active/deferred member for the past four years. Frances' term ends on 31 December 2025. If you are interested in serving on the Board and would like to know more about the role or how to apply, please email jo.quarterman@norfolk.gov.uk or call 01603 223950. Nominations must be received by 22 November 2025.

From 29 November 2025, you will be able to find details of nominees and how to vote on our website at www.norfolkpensionfund.org under 'Governance and investment' then 'Pensions Oversight Board active/deferred member vacancy'.

We must receive your vote by 12 December 2025.

You can find out more about the Pensions Oversight Board on our website at **www.norfolkpensionfund.org**

Over 2024-25 our investments increased by around £150 million (just under 3%), following a strong 10% rise the previous year. Despite ongoing market volatility, the Fund's financial position has improved over the past twelve months, and we expect a healthy surplus of assets over liabilities in the 2025 Triennial Valuation. Of course, concerns persist around geopolitical risks, social and environmental challenges, global inflation and higher interest rates. Notably, despite March 2025 marking the worst monthly portfolio returns in a year due to US market worries, the Fund's overall performance stayed positive. Our diversified investment portfolio has remained resilient, as it supports the payment of pensions to our members. Although the Government has recently announced changes to the way that Local Government Pension Funds invest, we remain confident that this will continue to be the case.

Please note: due to rounding, disclosures in the chart may not sum to 100%.

Our diversified approach means that we always have a mix of investment methods and asset types as we aim to get the best return on investment we can, whilst at the same time managing risk.

Through the ACCESS pool we are working with 10 other like-minded LGPS Funds to bring the management of many of our investments together, in order to reduce costs whilst maintaining investment performance. The pooling arrangements currently encompass the assets above managed by Waystone and UBS. This will not change Pensions Committee's overall responsibility for the Norfolk Pension Fund.

# Norfolk Pension Fund's approach to ESG investment

The primary objective of the Norfolk Pension Fund is investing money to provide pension benefits to our members, which we do responsibly.

You can find out more about how we do this by reading our **Statement on Divestment/Exclusion & ESG (Environmental, Social & Governance) Aspects of Investment Strategy** which is available on the Investment and Stewardship page of our website **www.norfolkpensionfund.org** together with the latest **Climate risk reporting** document on our quoted equity portfolio. Alternatively, please contact us on **01603 222824** to request a printed copy of either document.

## Please tell us what you think

Our aim is to provide you with the best possible service to help you with your pension.
