

Introduction

The Norfolk Pension Fund is responsible for administering the Local Government Pension Scheme on behalf of Norfolk County Council (the Administering Authority).

The Pension Administration Strategy (PAS) sets out the requirements of employers which will enable them and Norfolk Pension Fund to meet their legal obligations in respect of the Local Government Pension Scheme (LGPS) within a regulatory regime which has increasingly high levels of external scrutiny.

Approximately 250 employers participate in the Norfolk Pension Fund at October 2015 which includes the County, District, City, Borough, Town and Parish Councils together with Norfolk Police (non-uniformed), Academies and Free Schools (non-teaching), many charities and voluntary organisations and an increasing number of private sector companies.

In preparing the PAS, Norfolk Pension Fund has consulted on the principles of this strategy with scheme employers. This document sets out the PAS incorporating those principles.

The PAS will be kept under review and any appropriate revisions made to this document. Any material change will come back to Pensions Committee for consideration. The latest version is always available from our website www.norfolkpensionfund.org.

Aims and Objectives

The aim of the PAS is to detail requirements for liaison and communication between employers and Norfolk Pension Fund and to establish minimum levels of administrative performance required by all parties to meet their statutory obligations. The PAS aims to promote good working relationships and improve transparency, efficiency and quality.

The efficient operation of the scheme is dependent upon stakeholders carrying out their responsibilities diligently and in accordance with agreed and well documented processes. The actions of employers have a significant impact on the performance and quality of pension administration.

Administration fees are spread proportionately among all employers of the fund via an allowance (defined by the scheme actuary) within the employer pensions contributions. Where an employer puts a disproportionate burden on administration through its poor performance then this could in effect be subsidised by other employers. This strategy enables Norfolk Pension Fund to reserve the right to re-charge such employers for the additional costs they cause.

The objective of the PAS is to ensure that Norfolk Pension Fund can provide an efficient and value for money service at fair cost to **all** its stakeholders.

Regulatory Framework

The LGPS is a statutory scheme set up under the Public Sector Pensions Act. Its scheme rules are contained within the Local Government Pension Scheme Regulations 2013 (as amended). The relevant regulations for this Strategy document are:

Notifying Norfolk Pension Fund

Norfolk Pension Fund currently provides several channels for employers to provide information. All notifications must be by one of the prescribed forms/methods. Options available currently include, paper forms (sent by post or delivered by hand), online forms, online bulk processes, secure email, fax transmission.

There is an overhead to the multi-channel approach as several systems have to be maintained and operated. Therefore, Norfolk Pension Fund is moving to an online format (PensionsWeb) only for most forms where third party completion is not required. Online facilities exist for:

- Employers to maintain their contact details with us
- Notification of New Starters in bulk
- Notification of Changes
- Early Notification of Retirement
- Notification of Leaver
- Secure transmission of standard spreadsheets for Year End Return, notification of TUPE transfers, any other documents required to be sent to Norfolk Pension Fund

Forms requiring third party completion that cannot be catered for directly online include:

- New Member Form (completed by scheme member)
- Opt Out Notification (part completed by the scheme member)
- II Health Certificate (completed by the Medical Advisor)

However, completed versions of all these forms could be scanned by the employer and uploaded to the secure online facility.

From October 2016 it is expected that all employers will use online services only (PensionsWeb) where the appropriate facility exists.

Pension Fund Performance Monitoring

Norfolk Pension Fund carries out continual performance monitoring against its performance targets. These are measured against its peers in annual benchmarking exercises which are reported to employers, the pensions committee and details included in Norfolk Pension Fund annual report.

Policy on Re-charging Employers Direct for Administration Costs due to Failure to Comply with Requirements

Where ongoing performance issues are identified Norfolk Pension Fund will pro-actively seek to put an improvement plan in place. An **Improvement Notice** would be sent to the employer detailing the areas of concern, set timescales for improvement and confirm possible fees that Norfolk Pension Fund would seek to charge to the employer should performance not improve (see section **Administration Fees for Employer Work**).

Should performance not improve within the timescale set out in the **Improvement Notice** the breach will be reported to the Head of Norfolk Pension Fund in the first instance for consideration. Norfolk Pension Fund reserves the right to invoke the appropriate administration fees. Any events of this type will be reported to Pensions Committee.

Where performance issues are related to one-off events (e.g. provision of annual contribution return), and no extenuating circumstances are known to Norfolk Pension Fund, then an **Improvement Notice** will be sent by Norfolk Pension Fund. Fees (see section **Administration Fees for Employer Work**) may be incurred immediately and reported to the Pensions Committee. Serious non-compliance will also be reported to the Pensions Regulator.

Policy on Recovering Costs from Employers where Excessive Service Requested

In exceptional circumstances, Norfolk Pension Fund reserves the right to charge an administration fee. Examples of where this may apply include:

- Disproportionate or excessive employer requests for non-standard information (e.g. bespoke lists of its members' data etc.)
- An employer requests Norfolk Pension Funds significant assistance in ensuring that its own pension records are up-to-date.
- Where an employer changes payroll provider; the additional costs incurred in updating pension fund records may be recovered and also costs associated with processing multiple year end returns.

Norfolk Pension Fund may need to agree non-standard turnaround times for certain work in order to keep any administration costs to a reasonable level. Norfolk Pension Fund also reserve the right to charge fees (to cover the additional cost) to employers at the discretion of the Head of Norfolk Pension Fund.

Policy on Re-charging Employer with Other Charges or Obligations

Any fines, fees or other charges made on Norfolk Pension Fund, but which relate to performance of the employer (e.g. by Pensions Ombudsman, the Pensions Regulator or other regulatory bodies) will be recharged to the employer.

Interest on late payment of contributions as defined in the Local Government Pension Scheme may be charged to the employer in addition to any administration fee.

Any event that seriously jeopardises the Norfolk Pension Fund's ability to meet statutory requirements may invoke an immediate fine e.g. failure to provide annual contribution returns.

Penalties for Failure by Employers to Meet their Statutory Obligations

Administration fees shown below are charged at the discretion of the Head of Norfolk Pension Fund and would only be invoked if an employer has consistently failed to meet its obligations and an **Improvement Notice** has been issued but not complied with.

Regulatory Task	Administration Fee/Charge
Failure to appoint a Pension Liaison Officer (PLO) or keep NPF informed of PLO or change to contact details	£50 per occurrence plus £50 for each month of continued non provision
Late payment of employee and/or employer contributions	£50 per occurrence plus interest as defined in the LGPS Regulations
Non provision of the monthly SR71 contributions schedule	£50 per occurrence, plus £50 per week of continued non provision
Late provision of year end contribution return in prescribed format*	£1,000 per occurrence plus £100 for each week or part week of continued non provision
Late provision of starter notification	£50 initial charge plus £50 per month or part month of continued non provision
Late provision of leaver notification	£50 initial charge plus £50 per month or part month of continued non provision

* Due to the serious impact of this requirement, a penalty charge will apply for late submission and will only be waived in exceptional circumstances, as agreed by the Head of the Norfolk Pension Fund.

Apart from the requirement above, these fees and charges will only be made in exceptional circumstances and Norfolk Pension Fund will do everything possible to support employers in order to avoid them.
